# A gorgeous dress, kisses and, er, sunglasses: it's Brad and Angelina's wedding pictures

Ok, it's celebrity lookalike photographer Alison Jackson's version of it - but they're pretty good, no?

CELEBS

Oh you guys... (Image: Alison Jackson / Rex)

A lot of good things have happened this morning - our colleague Rob got us a tea for one, and he NEVER gets tea - but the best one is seeing Angelina and Brad's wedding pictures.

There they are - snuggling in the back of their posh car, and posing for snaps on the lawn, like any normal couple.

Oh and there's Angelina in her lovely frock - we knew she'd choose something nice.

Nah, the dress would be better than this (Image: Alison Jackson / Rex)

Strike a pose Ang - can we call you Ang? (Image: Alison Jackson / Rex)

Presumably this is after the (pretend) wedding, and that's why they're together (Image: Alison Jackson / Rex)

Oooh nice flowers... (Image: Alison Jackson / Rex)

He's pulling off the sunglasses isn't he? (Image: Alison Jackson / Rex)

You even get a glimpse of Ang's flowers - and Brad adding a bit of showbiz to proceedings, wearing his sunglasses. Not sure many grooms could pull that off...

The pictures sadly aren't real, but are the work of famous celebrity lookalike photographer Alison Jackson, who mocked up what the wedding might look like.

The pair - who have six children together - got engaged earlier this year, after being together for seven years.

We're so excited about these pictures that we're scared to think what would happen if we saw the real ones. Possibly we would combust.
