# Royal baby watch: 'Kate and Wills' take a sunshine stroll with their newborn baby

The regal pair were the centre of attention as they strolled casually through London's Kensington Gardens

▸ Kate &amp; William spoof

Walking in the sunshine, this familiar-looking couple proudly push their newborn baby in a royal blue buggy.

The regal pair were the centre of attention as they strolled casually through London's Kensington Gardens this week.

Bystanders took pictures - and probably wondered how the happy couple had managed to keep the much-anticipated birth a secret.

The Kate and Wills-a-likes were photographed by snapper Alison Jackson just days before the royal baby is due.
