CELEBS

Nothing to see here, just David and Victoria Beckham dressing their newborn child as baby Jesus for a spot of nativity-based fun.

The whole family is back in the country this week and managed to find time to swing by Harrods for a quick photo opportunity, with Victoria frocked up as Mary and David kicking back as Joseph.

OK, OK, so you might have guessed that this isn't actually David and Victoria. Or indeed baby Harper (although that's less noticeable) it's a group of lookalikes.

The fake Posh and Becks were posing in the straw to celebrate the release of Alison Jackson's new book Exposed.

Billed as 'the pictures the celebs didn't want you to see', the book appears to show a whole host of celebrities in compromising positions, including Cheryl and Ashley back together, Kate Middleton on her wedding night and Wayne Rooney celebrating his new hair.

(Apart from the fact it's not actually them. Looks like 'em though).
